COVID-19 UPDATE

As the COVID-19 Coronavirus evolved globally, Management and the Board have worked tirelessly to make the best decisions possible for the community. At the forefront of our minds is making sure the residents and staff are safe and healthy. We have continued to stay in constant communication with other clubs in the industry to monitor trends and confirm that we are doing the best thing for the community. Closing down all amenities was a tough decision to make, however a necessary one. By closing the Clubhouse and all departments within, the staff has been able to disinfect and sanitize all areas according to the CDC guidelines.

The Oak Room continues to remain open until further notice to serve the residents in any way possible. Whether it be curbside pick-up, delivery, or essential food and paper goods, they have been a pillar of support for the community.

While the clubhouse has remained closed, staff has still been working around the clock to make sure the needs of the residents are met. At a time like this, the "Team" aspect of The Oaks' staff has truly shown through. Receiving the "2019 Team Impact" award from FirstService Residential could not have come at a better time as it has really come to fruition during this trying time. I could not be prouder of our staff for continuing to navigate through these uncharted waters. While things have been changing daily, and in some cases hourly, we do appreciate everyone's support. It a pleasure to serve this wonderful community and together we will rise above these tough times.

Safe Regards,

Management and The Board of Directors

The Oak Tree
by Johnny Ray Ryder Jr

A mighty wind blew night and day
It stole the oak tree's leaves away
Then snapped its boughs and pulled its bark
Until the oak was tired and stark

But still the oak tree held its ground
While other trees fell all around
The weary wind gave up and spoke.
How can you still be standing Oak?

The oak tree said, I know that you
Can break each branch of mine in two
Carry every leaf away
Shake my limbs, and make me sway

But I have roots stretched in the earth
Growing stronger since my birth
You'll never touch them, for you see
They are the deepest part of me

Until today, I wasn't sure
Of just how much I could endure
But now I've found, with thanks to you
I'm stronger than I ever knew

Note From...

GENERAL MANAGER

What a fantastic beginning to the New Year! 2020 not only brought a new year, but a new decade. In the past few years, The Oaks at Boca Raton has certainly made some notable changes. Some of the changes that made a huge impact on the community were the Clubhouse renovations which included expanding and revamping the Fitness Center and Spa, the addition of The Oak Room, completing the build out for the community and much more. It has been so fulfilling to see the community grow over the years and I am excited to continue to see it grow.

In January, we had the opportunity to host the 16th Annual Touch a Heart Foundation Charity Event "Spa Day" which raised over \$65,000. With these funds, the foundation will be able to sustain programs throughout the year to help underprivileged families in the tri-county area. The Spa Day included a mini spa service, yoga, Pilates, lunch and shopping. It was great to see so many residents and their families come out and support this wonderful cause. Please see the link below to an article published in the Sun Sentinel about this wonderful event or visit www.theoaksatbocaraton.net/news/in-the-news/

The Oaks at Boca Raton was awarded the 2019 "Team Impact" Property of the Year from FirstService Residential Florida. Awards like this would not be possible without the tremendous staff at The Oaks. I would like to this moment to thank them all for everything that they do on a daily basis for the community.

I am very grateful to all our corporate sponsors for contributing to our newsletter and welcome anyone interested in sponsoring our upcoming newsletter. Please contact our Marketing Director, Clifford Coleman at marketing@oaksclub.net.

It is a pleasure to serve this wonderful community and I look forward to our continued collaboration.

Best Regards,

Richard O'Neil LCAM CMCA

BOARD PRESIDENT

I feel so proud and lucky to be a resident of this wonderful community. First Service Residential Florida awarded The Oaks at Boca Raton the 2019 "Team Impact" Property of The Year. I would like to thank our amazing General Manager, Rich O'Neil and our Director of Operations, Patrick Sheahan, and all of their wonderful staff for making this possible. Their incredible leadership and corresponding team work make this neighborhood an exceptional place to live and play in. Also, a shout out to Kyle LaCroix, our amazing Assistant Director of Tennis. Who received his 15 year service award.

Spring is here and we have a lot of fun events happening around The Oaks! Please check them out on the The Oaks App. The App is a great place to sign up for fitness classes, fitness sessions, Tennis clinics and private lessons, spa services, as well as social events. The Oak Room has a great new menu and has been hosting a lot of fun themed nights as well. Please stop by the restaurant and check them out.

Hope to see you around!

Best,

Stacy Bernstein

Swing Into Spring

We are cruising through this year and have seen an incredible rise in membership play. From social courts, to lessons, to tennis clinics, to pickleball! We are proud that our facility is being utilized to the extent that it is and most importantly, that you are having fun doing it. An exceptional club, outstanding courts, world class instruction and teaching staff plus a group of supportive and dedicated members. No wonder The Oaks tennis experience is the premier tennis program in South Florida. If you have not tried tennis at The Oaks, what are you waiting for?

Jarka Wolfe

Welcome To The Team

We have two new professionals that we have added to our staff. We are thrilled to introduce Jarka Wolfe, a tennis teaching professional who played on the WTA Tour, was ranked in the top 25 in the world and won the 2013 Australian Open Mixed Doubles Title. Her energy, knowledge and teaching skills are truly world class. We have also added Connor Douglas, a native of Toronto, Canada and former collegiate tennis star, Connor is exceptionally well rounded, polished and enthusiastic to teach players at all levels. These two additions have ramped up our program and provided us the flexibility to offer even greater services than before.

Connor Douglas

Club Champions

I'd like to congratulate our Singles Club Champions for 2020. Starting in singles, our women's champ is Stacey Brenner and for the men it was Brad Jaffe. Also, we'd like to say congratulations to men's double champions Brad Jaffe and Eric Rand.

Congratulations to our champions and thanks for being great representatives of The Oaks.

See you on the courts!

Ask A Pro

Our Tennis Professionals will answer any tennis related questions you may have to help improve your game and The Oaks Tennis experience. If you have a question for the pros it can be shared anonymously. Please send all inquiries to Patrick.Sheahan@oaksclub.net. The answers to this quarter's questions are provided by the Assistant Director of Tennis, Kyle LaCroix.

Q: Help! My children are interested in tennis and since all of their friends play in the community they are looking to start, but what size racquets should I get?

- Grateful on Grand Estates Way

A: Generally, the sizes recommended are as follows:

- Ages 0-4: 19"
- Ages 4-5: 21"
- Ages 6-7: 23"
- Ages 8-10: 25"
- Ages 10-12: 26"
- Ages 12 & up: adult size-27"-29"

We sell all racquets in our pro shop. Feel free to come by and we will have one of our amazing tennis staff members assist you.

Q: In a recent league match, we flipped the racquet to determine who serves first. But are there any other options besides who serves and who receives first?

- Pondering on Pintura

A: What a great question and a situation that is often overlooked. When a coin toss or racquet flip is performed, the team or player that wins actually has three choices and is only able to pick one out of the three. The options are:

1. Choose to serve or return
2. Choose what side of the court (North side or South side)
3. Defer all options to opponents

JUNIORS

We offer classes for ages 4-16, on every color ball to make sure that your child is successful! Our classes are offered Monday through Thursday, as well as Saturday. If you are unsure of your child's level or just want to get them started, a private lesson can be arranged. Privates are a good opportunity for the child to become acclimated in the sport before throwing them into a clinic. For any further questions or concerns, please contact Meika Ashby at 561-482-9828 or email at Meika.ashby@oaksclub.net.

THE OAKS AT BOCA RATON APP

Your tennis scheduling needs are in the palm of your hand with our Oaks at Boca Raton app. All of our clinics, lessons and ball machine bookings can be made using The Oaks app on your smartphone. 2,900 people have now downloaded the app and we have had 110,000 log-ins in the last 10 months.

All tennis, fitness and spa services and club event sign-ups are easily accessible.

How to get it?

The Oaks is on the app store

1. Open the app store on your phone
2. Search and download "The Oaks at Boca Raton"
3. Create your account under the "Log In" tab.
4. Book your appointment.

It's that simple!

Sincerely,

Patrick Sheahan – Director of Tennis/Operations

Tools to Recover Faster – Perform Better – Prevent Injuries

Mike Petrarca, ATC, MS, LAT Sports Medicine Specialist

Have you ever experienced soreness or pain that has limited or kept you from participating in your favorite activity all together? Have you ever felt that you weren't getting the most out of your workouts because your body just wasn't responding like it has in the past?

Many of us understand that training hard can improve our performance, but few of us consider how recovery can affect us in a positive way. Spending hours in the gym or on the court, while beneficial to our health and our performance, can also be detrimental long term if we are not taking care of our body. Whether it's getting the proper amount of sleep and hydration or reducing our soreness and pain to get the most out of our hard work, there are tools at your disposal to help with this.

Recovery modalities have been shown to help reduce soreness and pain by improving soft tissue mobility and increasing blood flow which also helps support muscle growth and fat reduction. Injury prevention and improved performance are also outcomes of using recovery modalities. At The Oaks we offer recovery sessions using the NormaTec compression boots, the Marc Pro muscular stimulation device, Rock Tape applications, and hands-on soft tissue work accompanied with corrective exercises. These modalities enhance your body's natural lymphatic and muscular skeletal system to accelerate the recovery process to get you feeling more like yourself and back to training hard.

FITNESS CENTER REMINDERS

As The Oaks Fitness Community continues to grow, we would like to remind our residents of the following fitness center policies to ensure your safety while using the gym. It is our constant goal to provide residents with an enjoyable experience and ensure that the Fitness Center continues to be your number one place for exercise.

- Talking on cell phones inside the fitness center is prohibited.
- Please use headphones when listening to music.
- Please wear proper exercise attire.
- Please wipe down and put away equipment after use.
- Oaks Fitness Center may provide personal training and services. Outside personal trainers, service providers and swim instructors are prohibited to ensure your safety.

SPA

Greetings From The Oaks Spa

Spring is finally here, a time for new beginnings! The Oaks Spa wants to make it a great one. This spring start out looking amazing. Come and try out our new equipment, new services and products.

Here at The Spa we want to help you feel and look younger and healthier. Come try our state of the art Lipo Laser for reducing fat cell size, radio frequency device to help tighten and rejuvenate your skin, and vacuum cupping system to smooth out fat cells and loosen scar tissue. We can help reduce sizes and tone your skin for a better appearance.

LASER LIPO

Unlike conventional liposuction, the idea of non-invasive laser lipo is not to remove fat cells, but to shrink them. During each session a technician places pads equipped with laser diodes directly onto the skin. The laser energy penetrates down to the fat cells and creates tiny holes in their membranes. This causes the fat cells to release their stored fatty acids, glycerol, and water into the body and then shrink, potentially resulting in lost inches. The body then flushes out the expelled fat-cell contents via the lymphatic system or burns them for energy.

RADIO FREQUENCY (RF)

RF treatments are produced involving the use of a radio frequency energy device to heat up and tighten tissue to boost blood flow and break down cellulite and fat. Without damaging the skin, the RF energy heats the skin in order to break down fatty cells and stimulate collagen production, which improves skin tone and elasticity. RF treatments can be used to treat excess pockets of fat on the stomach, hips and thighs, reduce cellulite appearance and tighten saggy skin caused by weight loss, pregnancy and aging.

VACUUM CUPPING

Our VC treatment has multiple uses. **1)** It can help pull the fatty cells released by the Lipo Laser treatment and radio frequency to the lymphatic system so it is drained and expelled from the body through the excretory system. **2)** It can also help break fascia and scar tissue to alleviate muscle pain and alignment. Vacuum cupping is effective for Athletic Performance Enhancement, surgical and injury recovery, pain management, body contouring and inflammatory conditions.

Learn About Our New Massage Modalities:

ACCESS BARS

We also have a new hands-on modality of massage such as Access Bars. This modality is based on the principal that there are 32 points and bars of energy that run through your head. Each of these points store the energy of all thoughts, ideas, attitudes, decisions, and beliefs that you have throughout your life. A certified therapist gently touches these specific points that will help release anything that doesn't allow you to receive peace, calmness, clarity, focus and mental stability.

VEDIC THAI BODYWORK

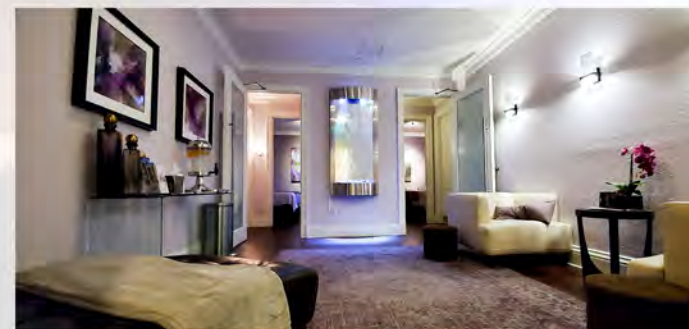

Vedic Thai Bodywork is an ancient healing art over 3,000 years old meant to treat physical ailments both musculoskeletal and internal. There are two forms, mat and table. Vedic Thai Bodywork benefits include increased range of motion, relaxation, balancing/mental clarity, relieving muscular tension and assists in healing physical and emotional imbalance ailments.

Please stop by to get to know your spa staff and learn about our amazing new treatments. We look forward to seeing you soon!

Professional Spotlight Marcia Sampayo - Spa Coordinator, LMT

Time really flies! I can't believe that it's been 3 years since I first walked into The Spa. The moment I interviewed with Coleen I knew I was here to stay. I look forward to every day I come to work. I love the residents and the staff. I have learned so much in these last few years.

In the past 3 years I have had the opportunity to earn other certificates such as Access Bars Facilitator, Lymphatic Massage, Lipo Laser, Radio Frequency and Vacuum Cupping Technician. It has been a pleasure and an honor to be loved and appreciated by everyone I come into contact with at The Oaks. I look forward to growing and learning with this community that I consider my home.
