Note From...

GENERAL MANAGER

Through this pandemic we have learned a lot and needless to say it has been a long journey! This new "norm" brings with it many continued challenges that we've had to learn to adapt to. COVID has impacted every facet of our business from Tennis, Fitness, Spa, Events, as well as our Restaurant. The Board and Management have worked tirelessly together to implement safety and sanitation procedures in keeping with CDC guidelines and Palm Beach County ordinances to protect our residents and staff. Through these times we've come together as a community. We have equipped our clubhouse with all the necessary cleaning supplies as well as PPE to help keep a safe environment.

Operationally, we have gone through many changes. In Tennis we went from a single person on court and having the pro shop completely closed to having tennis back up and fully operational without guests still at this time. The Spa at first was completely closed and now is back open with almost its full array of services. Our fitness department has jumped through hoops to provide outdoor classes, virtual classes, and now the gym is back open in a limited capacity. The pool, basketball court and playground are now open with periodic cleaning and monitoring. Luckily, our restaurant has been able to operate through these times with some restrictions and we are very grateful for all of their efforts. All in all, it has been a true test of the strength and teamwork that we have here at The Oaks.

As we look around and try to live life as we once knew, we find social distancing, mask and hand washing signs everywhere we go. Following the CDC guidelines and Palm Beach County Ordinances, we have ramped up our cleaning at the clubhouse and work areas throughout the day. We have installed hand sanitizing stations, acrylic shields and use electrostatic sprayers along with other means to sanitize areas which include, but are not limited to, the pool area, gym, playground, tennis, spa, and restaurant. For the 4th quarter we hope to roll out different forms of entertainment in keeping with these new guidelines.

2020 has been a year of moving targets and we always strive to be 10 steps ahead! All of this additional sanitation and safety measures do come with additional costs. We understand COVID has impacted everyone in some way whether personally, professionally and/or financially. The Board and Management have begun working on the 2021 Budget and we are sensitive to these potential impacts COVID has had on our community.

I am very grateful to all our corporate sponsors for contributing to our newsletter and welcome anyone interested in sponsoring our upcoming newsletter. Please contact our Marketing Director, Clifford Coleman at marketing@oaksclub.net.

On behalf of the Board and Management we would like to wish everyone a very happy and safe holiday season!

Healthy Regards,

Richard O'Neil, LCAM, CMCA

BOARD PRESIDENT

It's hard to believe that 2020 is at an end. As I look back on the year's events, it's amazing what we have all been through and may still be going through. None of us will ever forget the year 2020 as COVID-19 has left a big mark. However, I have to say how proud I am to live in The Oaks at Boca Raton. As a community, we have come together like nothing I have ever personally seen. Our Board, General Manager (Rich O'Neil), Director of Operations (Patrick Sheahan) and all of their terrific staff, along with FirstService Residential, our property management company, as well our HOA attorneys, have guided us through these unprecedented times and I am confident in saying that this community is even stronger than ever. In addition, as a result of the virus, we have made numerous improvements around the facility (hand sanitizer stations, REME- Halo air filters on the AC's in the clubhouse, electrostatic cleaners and more). Although we had our ups and downs of closings and openings, we were informed, prepared and tried to stay ahead of the curve wherever we could. There is more work to be done before we can get back to "normal" (which will probably be different than what we are used to).

Thank you everyone for your patience, kindness and understanding during these difficult months. I know that we will all get through this. I look forward to wishing everyone a happy and safe holiday season!

Sincerely,

Stacy Berstein

Rounding The Corner

As we approach the end of a surreal 2020, the tennis staff has been diligently working on a variety of programming initiatives to keep our club active, prosperous, healthy and safe.

Our Junior program kicked off earlier this fall with unprecedented numbers of junior players. We had plenty of returning juniors which is always a great sign and also a significant number of new enrollments which makes it that much more exciting!

For the ladies, we created a division team practice (Tuesday and Wednesday) with a Friday match day that is optional to all ladies looking to get some intensive strategy, tactical and technical work along with match play.

For more details or to sign up, please call our pro shop at 561-482-9828 or use The Oaks App to register.

There will be some new hardware in the pro shop as well. In the form of three plaques which were awarded to some of our tennis staff members, in honor of their work and impact on the tennis industry this past year. Meika Ashby was awarded the USPTA Florida Division Elevate Award. Patrick Sheahan has been awarded the USPTA Florida Division Facility Manager of The Year. Kyle LaCroix received the USPTA Florida Division Tester of The Year Award. Their work within the industry and representation of The Oaks at Boca Raton does not go unnoticed! Congratulations to Patrick, Kyle and Meika.

See you on the courts!

Sincerely,

Patrick Sheahan – Director of Tennis/Operations
Kyle LaCroix - Assistant Director of Tennis

Tennis Gets Real with Rafa

In this section we are going to focus on having a more comprehensive understanding of the game by looking at the facts. You can't win a game if you don't know the rules and facts. Great tennis players must abide by three principles. To be efficient, to be aware and to be educated.

If there is a specific area of tennis that you want to learn more about, you can contact Rafa at rafa.curbelo@oaksclub.net

Understanding the facts will give you a better realization and platform for improvement.

Here are some facts that EVERY player needs to know, but probably doesn't

FACT: Winning tennis does not lead to beautiful tennis, but beautiful tennis leads to winning tennis. In other words, proper stroke technique provides the base on to which to build an effective game.

FACT: When you are not practicing your tennis, someone else out there will be. If and when you ever play them, you will lose.

FACT: 15 minutes on a backboard or ball machine is equivalent to one hour on court because of the number of balls hit.

FACT: Tennis teaching and tennis learning are not "fast food." You cannot microwave a tennis game. It has to be built—and well-built—slowly, over time.

THE OAKS AT BOCA RATON APP

Your tennis scheduling needs are in the palm of your hand with our Oaks at Boca Raton app. All of our clinics, lessons and ball machine bookings can be made using The Oaks app on your smartphone. 2,900 people have now downloaded the app and we have had 110,000 log-ins in the last 10 months.

DIRECTOR NOTES

I'd like to thank all Oaks residents and staff for their continued commitment to making The Oaks Fitness Center a safe environment for everyone!

We take your health and well-being seriously, that's why we strive to provide the cleanest gym in Boca! To do so, we continually utilize electrostatic sprayers and antimicrobial solutions to fog the entire gym multiple times throughout the day. Even though most gyms are only doing this type of treatment monthly or even weekly at best, we strongly believe that the frequency of this disinfecting method is extremely important to maintaining a clean and safe environment. In addition, we've invested in the REME Halo air purifying system that actively purifies every cubic inch of air throughout the entire fitness center. This not only kills 99% of airborne bacteria and viruses, it also helps protect all surface and equipment.

Also, thank you for properly wearing your masks over your nose and mouth while exercising! I am very aware that nobody likes wearing masks however, it is very important that we take every measure possible so that we can continue to provide the safest environment possible.

If you haven't been to the gym in a while, please come say hello!

In Health & Wellness,

PJ DeLuca
Director of Fitness

FITNESS CENTER REMINDERS

The health and wellbeing of The Oaks residents and staff are of the utmost importance to us.

- Reservations can be made on The Oaks App in the "Fitness Classes" tab
- Reservations are for 60 minutes, 1 reservation allowed per individual per day
- Talking on cell phones inside the fitness center is prohibited.
- Please use headphones when listening to music.
- Please wear proper exercise attire.
- Please wipe down and put away equipment after use.
- Oaks Fitness Center may provide personal training and services. Outside personal trainers, service providers and swim instructors are prohibited to ensure your safety.

OUTDOOR GROUP FITNESS

We have brought The Oaks community together through group fitness and we have created a schedule that covers ALL fitness levels and goals, from Yoga to HIIT and everything in between.

The options to take a LIVE class by the pool area or in the comfort of your own home are available. All safety and health measures are taken very seriously with YOU as our priority so that our community remains active and in great health.

Starting in October:

- Our LIVE outdoor classes will now hold a capacity of 6
- Monthly 5-day fitness challenge (15-minute workouts all week long)
- Virtual class recordings will be uploaded to The Oaks App (you just need to sign up for class to receive them)

Future events to look out for this quarter:

- Barre and Bellini's Event
- TRX Pilates Classes
- Reformer Classes
- Mobility Class
- Recovery and stretch sessions

We look forward to seeing you in our classes.

Please feel free to contact PJ, fitnessdirector@oaksclub.net or Sue, fitnessasst@oaksclub.net, with any questions you may have regarding all things fitness.

Sue Lucia
Assistant Director of Fitness

A CASE FOR EXERCISE

Now more than ever it is important to lead a healthy lifestyle. The benefits of eating healthy and staying active are just too many to continue to ignore.

Here's what you're missing...

Get control of you weight

- Along with healthy eating, exercise can help maintain a healthy weight for you body

Combat health conditions

- Regular exercise helps prevent and manage many health issues such as stroke, metabolic syndrome, high blood pressure, type 2 diabetes, anxiety, arthritis, and osteoporosis

Boost your Mood

- Exercise helps improve cognitive function and helps combat depression and anxiety. Trying to wrap your brain around a challenging situation or looking for fresh ideas? Exercise can help bring you clarity and creativity.

Boost in energy

- Regular exercise can improve muscle strength and improve your endurance
- Physical activity helps deliver more oxygen and nutrients to your tissues and improves cardiovascular efficiency

Better sleep

- Regular physical activity can help you fall asleep faster, and lead to deeper, more quality rest.

Boost your immune system

- Physical activity helps flush bacteria out of the lungs and airways.
- Promotion of good circulation allows cells and substances of the immune system to move more freely through the body and do their job more efficiently

No more excuses, no more tomorrows, start your progress now. We will see you at The Oaks Fitness Center tomorrow!

SPA

Greetings From The Oaks Spa

I hope everyone enjoyed their summer and are settling into fall and the new school year. I wanted to remind everyone of the many health benefits of massage and acupuncture during these stressful times.

Acupuncture is effective in helping to treat:

- Reduced stress
- Reduced back pain, neck tension and relieve joint pain in the hands and arms
- Relief from headaches/migraines
- Reduced eye strain
- Improved immune system
- Enhanced mental clarity and increased energy
- Relief from digestive conditions
- Allergy relief
- Reduced cigarette craving
- Fewer injuries on the body due to repetitive strain
- Anxiety
- Depression
- Weight loss and many more...

Massage is effective in helping to treat:

- Relieve stress
- Relieve postoperative pain
- Reduce anxiety
- Manage low-back pain
- Help fibromyalgia pain
- Reduce muscle tension
- Enhance exercise performance
- Relieve tension headaches
- Sleep better
- Ease symptoms of depression
- Improve cardiovascular health
- Reduce pain of osteoarthritis
- Decrease stress in cancer patients
- Improve balance in older adults
- Decrease rheumatoid arthritis pain
- Temper effects of dementia
- Promote relaxation

Greetings Continued...

- Lower blood pressure
- Decrease symptoms of carpal tunnel syndrome
- Help chronic neck pain
- Lower joint replacement pain
- Increase range of motion
- Decrease migraine frequency
- Improve quality of life in hospice care
- Reduce chemotherapy-related nausea

As you can see, these are two very effective treatments to help us deal with the elevated levels of stress that we have all been under and a good way to assist your body and mind in being healthy and healing. We have an amazing acupuncturist on staff that is featured below and many skilled massage therapist to help you achieve your wellness goals. Please contact me to set up an appointment. We look forward to seeing you soon.

Peaceful Regards,

Coleen Chamberlain Mahoney

DINING

From the Chef's Desk

The year is almost over and 2020 has sure been a wild ride! Throughout it all we have strived to offer you the very best in food and service! Our delivery service and Provisions List has been a hit, with many using and enjoying it. We have also rolled out our new Rotating Menu model, that rotates weekly menus around a standard base menu, allowing you to try some new things every week, while still enjoying your favorite items!

As we continue through the various phases and opening more and more, I hope that you continue to take advantage of these services and not hesitate to reach out to me with any questions or concerns. I know, that with residents like you, 2021 will be even better!

Thank you!

From The General Manager

I would like to thank all our Oaks residents for the continued support over the past year, and what a year it has been. We hope that you and your families have stayed safe during these times and wish nothing but the best for everyone. We have implemented our curbside and delivery service and will continue to do so as I believe it is a service that everyone has come to enjoy. We have also opened outdoor dining and hopefully we will once again open the indoor portion of your restaurant soon. Our commitment to your safety is our number one priority and we have strict policies in place to ensure you and our staff stay safe. As we move into our next phase of re-opening, be on the lookout for events and specials that will be sure to entertain you. Again, we would like to thank you and look forward to making sure every meal is legendary.

The Oak Room is available to assist with any in-home social gatherings you may have as well. Whether its happy hour at home, or a birthday celebration, we can deliver meals, platters and drinks to you!

Due to COVID-19, all social events at the Clubhouse have been postponed until further notice. We are following all guidelines issued for Palm Beach County as they are updated. We will continue to keep everyone informed as things change.

Thank you again for all your continued support!

All the best,
