NOTE FROM:

JOHN F. MULREY
General Manager

GENERAL MANAGER

In my first two months, here at The Oaks, I have been warmly greeted and I'm honored to be part of this incredible community. As we exit from the historical COVID experience, we have the opportunity to look forward to re-invest in our community. A strong 2021 real estate market has seen a great increase in our property values. The board is keenly focused on taking a strategic look at all the priorities to keep our community looking great.

There is a high degree of enthusiasm and strong opinions on what needs to be accomplished and how quickly. We are in the midst of gathering information so we can make fiduciary decisions. We will share our strategic plan with the community once completed.

We are continuing our re-opening procedures and are excited to get back to pre-COVID operations. Our departments are excited to announce new programs and services to add to our community. Here are some highlights:

Tennis:

- Record breaking numbers across all programs. That includes juniors, adult clinics, lessons, and social play.
- Summer brings more availability and flexible options for private lessons.
- Make sure to enroll in Junior fall session early to save your child's spot as we were at full capacity this past season.

Fitness:

- We are offering indoor and outdoor fitness classes. This is to best serve the needs and wants of our members.

Spa:

- Summer is the hot time of the year and skin hydration is important. Book a Hydro-Derm Oxygen Infusion treatment to combat the effects of skin dehydration.
- Micro-blading has returned to The Spa! Book a consultation today to start down the path of lasting beauty.

The Oak Room:

- We have started the new feature menu rotation that contains delicious new entries along with past favorites.
- Be on the lookout for our new ALL DAY menu.
- The Board is exploring adding an addition to the restaurant which will feature baked pizzas and a tiki bar by the pool.

I am grateful to all of our corporate sponsors for contributing to our newsletter. If you are interested in sponsoring our upcoming newsletter, please contact our Marketing Director, Clifford Coleman at marketing@oaskclub.net.

It is a pleasure to serve this wonderful community and I look forward to our continued collaboration.

Healthy Regards,

John F. Mulrey

John F. Mulrey, CAM, MBA

BOARD PRESIDENT

Welcome to summer fun in South Florida! I hope everyone is enjoying all that The Oaks has to offer in the way of great summer activities. Come out in the morning and try a tennis lesson or a tennis clinic before it gets too hot. Join in for some fun water fitness classes and/or just swim some laps in our Olympic sized pool. The gym and spa offer a nice reprieve from the summer heat if you are more interested in some indoor activities. The card room is open again to residents and guests (reservations required). Also, please check out The Oak Room's menu specials and Happy Hours.

Stay posted for more updates as we hope to open up more of our facilities and plan some fun social events.

I would like to remind everyone to drive even more carefully now that school is out and many of our children are out and about in the neighborhood enjoying their summer vacations. In particular, please be mindful of stop signs, speed limits and the rules of the Association regarding golf carts. Let's all have a wonderful and safe summer!

Best,

Stacy Berstein

DEMAND AND PRICES IN THE OAKS HAVE NEVER BEEN HIGHER -

As most of you are aware, the demand and pricing in The Oaks is currently at a record high with supply at a low. If you have any thoughts about selling and capitalizing on this incredible market, please don't hesitate to contact us for a private consultation. We are currently looking for available homes on behalf of multiple qualified buyers!

KIND WORDS FROM ONE OF OUR HAPPY OAKS CLIENTS:

"Using Brian and Lisa was the most comfortable, safe, easy, and family oriented experience of my life! I feel like I made two life long friends." - S.C.

LANGREALTYSM

SERVE IT UP!

The Oaks at Boca Raton Tennis program has just completed its most productive tennis season ever for peak season (Fall-Spring). We had record breaking numbers for juniors, adult clinics, lessons and social play. There are many new resident faces at The Oaks that moved in and have discovered and fallen in love with tennis. We are confident that the trend will continue into the summer based on the amount of inquiries we have received and the adjustments we are making to “serve it up” to the community.

With our Summer schedule, there is more availability and flexible options for private lessons as well as a staff of exceptional and diverse professionals willing to provide them. We are increasing the number of evening clinic offerings for the men. Going from our regular Tuesday evenings to include Mondays and Wednesdays from 6-7:30pm. We will continue offering ladies clinics every day of the week.

If you have not done so already, now is the best time to get your children involved in the great sport of tennis. The health benefits are numerous but, most importantly, it's fun. The junior tennis season will be starting in the fall so please reserve your spot now! Last season saw record numbers and full capacity. Please contact Director of Junior Tennis Meika Ashby to see what class would best suit your child and get them started on their tennis journey.

See you on the courts!

Sincerely,

Patrick Sheahan – Director of Tennis/Operations
Kyle LaCroix - Assistant Director of Tennis

TENNIS HEALTH FACTS

Here are some interesting tennis facts that can make you better, wiser and more appreciative of our great sport.

- A tennis player will run an average of 3 miles during the course of 1 tennis match.
- Just an hour of play burns between 400 to 600 calories.
- Research has shown that tennis reduces the risk of mortality by almost 50% at any age.
- Regular playing helps one to exercise and maximize bone mass prior to the age of 30 and reduce bone loss afterwards.

TENNIS BALL MACHINE USAGE TIPS

As many of our members are loving our ball machine, it's important to know how to take full advantage and maximize your game. Here are 5 tips you can use next time you are practicing on our ball machine.

1. Shot Specificity

Focus on grooving one shot until you are confident that you can hit it at least several times in a row. Remember that improvement retention is highest when you focus on one shot at a time. Repetition, repetition, repetition. Practice alone does not make perfect. Perfect practice makes perfect.

2. Target Areas

Create realistic targets, whether primary (above the net) or secondary (on the opposite side of the net on the court surface). Make them large enough to succeed and build confidence, but also challenging enough to push you to improve. Use a 70% success rate as a good starting point and general guideline.

3. Timing

As players improve, ball recognition timing and racquet preparation also needs to speed up. Practicing with a ball machine can greatly help in this area since, with the simple turn of a dial, the machine can feed balls at faster speeds, as well as with faster frequencies. The rule of thumb is to recognize much of the ball's speed, spin, direction, and arc when it is still on your opponent's side of the net and to initiate your initial turn and movement into position before the ball crosses the net onto your side of the court.

4. Rhythm Ball

Machines simulate players hitting with a consistent rhythm. An effective tactic against this type of player is to change the ball rhythm you hit with in order to break that opponent's comfortable rally rhythm. Here's the drill: Identify three ball speeds you can execute. Call them slow, medium and fast. Practice patterns such as slow, slow, medium, medium, fast, fast and repeat. Or, just one of each. Or slow, medium, fast, fast, medium, slow, slow, medium, fast, etc.

THE OAKS AT BOCA RATON APP

Your tennis needs at the touch of a button, download The Oaks app on your smartphone to sign up for club events, tennis lessons, clinics and other amenities we offer.

All tennis, fitness and spa services and club event sign-ups are easily accessible.

How to get it?

The Oaks is on the app store

1. Open the app store on your phone
2. Search and download "The Oaks at Boca Raton"
3. Create your account under the "Log In" tab.
4. Book your appointment.

It's that simple!

FITNESS

A NOTE FROM THE FITNESS DIRECTOR

– *PROPER HYDRATION*

I'm sure you've heard it enough throughout your life, HYDRATE, HYDRATE, HYDRATE!!! So, let's dive in to the how and why it is so important to stay hydrated.

Hydration is crucial to optimizing health. Digestion, muscle contraction, circulation, body temperature regulation, and neurologic functioning all rely on having appropriate fluid balance in the body. Mild dehydration can have a variety of adverse health effects that can impair both cognitive and physical function.

OK! But that doesn't mean we need to go grab the obscenely large jugs of water and force them down to meet the current guidelines of 15.5 cups per day for men and 11.5 cups for women. These are very generic guidelines and don't take in a number of factors such as activity level, environment, and overall health. Everyone's water intake needs can be vastly different from their neighbor's. Always remember, contrary to popular belief, you CAN have too much of a good thing!

Although water should be your primary source of hydration, it is not the only source. Typically, 20 percent of your daily intake comes from the food you eat. Fruits and vegetables like spinach, kale, broccoli, strawberries, and peaches can help you obtain adequate hydration.

In closing, follow your thirst, don't ignore it! After all it is the body's mechanism to help you stay hydrated. Keep water handy, but don't force yourself to drink it beyond your thirst, if it gets harder to swallow, then you've probably had enough for now. If you know you're headed for a workout or into the hot weather, be proactive and get a jump start on your hydration. You'll get more benefit from hydrating before the typical workout then trying to play catch up during activity. And don't forget to eat your vegetables!

In Health & Wellness,
PJ DeLuca
Director of Fitness

SPA

GREETINGS FROM THE OAKS SPA

Summer is here and we are all ready for a well-deserved break! Come to The Spa we have treatments from head to toe to help you relax and rejuvenate. A great way to combat skin dehydration is with our Hydro-Derm Oxygen Infusion Facial. As for your toes, a great way to relax your tired feet is with an amazing Foot Reflexology session. Here at The Spa we have your relaxation needs covered during these hot summer months.

Also, we will continue our strict sanitization protocols and procedures to keep everyone safe during their spa services.

We look forward to your next visit!

Peaceful Regards,

Coleen Chamberlain Mahoney
Director of Spa

PROFESSIONAL SPOTLIGHT:

STACEY GARCIA, LMT

Where are you from originally?

California, yes I am a tree hugger! I have been in Florida since my early 20's. I have a daughter and two grandchildren and I am acclimated to this beautiful climate and I will never leave.

How did you become involved in the massage industry?

I got into the massage industry because I have been in hospitality all of my life. I needed back bone surgery and I can really emphasize with my clients that have chronic pain. I enjoy the one on one and the sense of well-being I can create. I just love people.

What services do you provide at the spa?

Silicone cupping, Static cupping, Deep Tissue, Hot Stone, Athletic Maintenance, Pre-natal, Stretch Therapy, Head and Neck, and I am currently studying for my Medical Massage License.

What do you enjoy doing in your spare time?

I love the oceans and the parks. Also, I enjoy throwing the frisbee and balls every day for my extreme jumping dogs.

ABOUT THE SPA

The Spa at The Oaks at Boca Raton provides you with renewal, rejuvenation, and relaxation in your own backyard. Our therapists and specialists are experts in customizing your treatments, therapies, and services. Crafting them specifically to your needs for the ultimate results.

DINING

FROM THE CHEF'S DESK

We have reached the halfway mark for 2021 and it's been an amazing year so far! It was a pleasure seeing everyone out for Memorial Day and I look forward to seeing everybody at future events as well as getting to know the new residents!

The monthly Ladies Luncheon has really picked up, it is great to see residents bonding at the restaurant. Join us the first Saturday of every month for our brunch menu! Our Provisions Service is still available to help with any grocery needs you might have as well as catering for all your party and celebration needs.

Please be sure to **Check Us Out On Facebook!** @Theoakroomboca, where you can see our daily specials and events!

Thank you!

Joshua Bartram
Executive Chef
The Oak Room

MEMORIAL DAY BBQ

LADIES LUNCH

BRUNCH

FROM THE GENERAL MANAGER

As we approached the middle of a crazy year, our goal for the next six months is to provide a spectacular experience for everyone. As many of you may have noticed we had a major fly problem all over the property, especially at The Oak Room. We worked with your Board of Directors to get a new screen encloser, that once installed, stopped the issue overnight. We are still trying to find qualified, quality employees to fill in the gaps so we can expand our hours of operation. While our search continues, we would like to thank you for your patience during these unprecedented times. As always reservations are greatly appreciated.

We are also looking forward to hosting your events again, Chef Josh and his team will make sure not to disappoint, feel free to reach out to me so we can go over the details and get them reserved.

We are working on a few exciting things over the summer to make your neighborhood restaurant even better for your family and friends. Here are a just a few examples:

We have a new wine list rolling out in August, we hope you stop by and have a glass.

Our weekly revolving menus have begun, try a favorite today. Themed events for you and your guests, so be on the lookout.

From your team at The Oak Room, thank you and we hope that you and your family stay healthy and safe.

All the best,

John North
General Manager
The Oak Room
oakroom@oaksclub.net

Making a Payment is Easy!

Pay your assessments online through  **ClickPay**
A RealPage™ Company

Simply log onto the FirstService Residential Connect Resident Portal or visit www.FSResidential.com and choose "Make A Payment" to register for ClickPay to:

- Schedule payments online from your computer, phone, or tablet
- Make a one-time payment or set up automatic payments
- Pay by eCheck at no cost
- Pay by credit or debit card for a nominal fee (charged by the merchant)
- Schedule your payments over the phone if you don't have a computer by calling 1.888.354.0135 and pressing Option 1. You will be connected to a ClickPay Resident Support Specialist.

You may continue to pay your assessment in the management office. Checks will be accepted during regular business hours. Should you choose this method, please be certain to bring your 14-digit account number: **0987-0000-01**

Should you need assistance, please contact our Customer Care Center at 1.866.378.1099, 24 hours a day, 7 days a week.

HURRICANE SEASON

BE PREPARED

We are in hurricane season, it is very important that all residents prepare their landscaping for the season and are diligent in their personal tree trimming and landscape maintenance. Please note: it is also the homeowner's responsibility to trim and maintain the street trees in front of your lot with the exception of Lake Azure and Villa Club Way.

In the event South Florida feels the effects of a named storm, trimming trees can prevent damage to homes and surrounding properties. Also, we have noticed some flooding issues related to the lack of gutter maintenance throughout the property. It is the homeowner's responsibility to maintain all the gutters on their homes as well as the underground drain pipes they are attached to in front of each home. We urge all homeowners to have their gutters and drains serviced as soon as possible to limit the risk of flooding throughout the upcoming storm season.

Additional measures that will mitigate flooding are as follows: please notify your landscapers not to blow leaves and debris into the streets, keep garbage cans covered and again pruning the street trees. All storm drains in the street should remain free and clear of debris.

The official storm season began on June 1st and ends November 30th. We appreciate the proactivity in taking preventative measures as we enter into the Storm Season. Storm preparation is a community wide effort. I hope everyone finds these precautionary emails insightful. It is much appreciated by the Association and your neighbors that everyone takes immediate action from this friendly reminder.
